## Design-Build Project Delivery

Join the Front Range Chapter of NARI for the February program. During this informative program, our presenter will discuss the Design-Build delivery method and how it can be utilized in the remodeling industry. Register today to learn how best to incorporate Design-Build in your next remodeling project.

## Speaker:

### **Kathy Crowell, M. A. Mortenson Company**

Kathy has been working in the construction industry for 15 years with an ENR top 40 construction company. In that time, she has participated in new construction as well as remodeling. In addition to a breadth of construction type, Kathy has participated in a breadth of delivery methods from hard-bid to CM-GC to Design-Build. In her experience, Kathy has found that the Design-Build delivery method, when properly applied, results in superior projects. Her dedication to the design-build delivery method has resulted in her leadership role as President of the Rocky Mountain Region of the Design-Build Institute of America. Kathy is also a registered professional engineer and a LEED accredited professional.
