Asbestos Issues in Remodeling

Join the Front Range Chapter of NARI for the January program. During this informative program, our presenter will discuss asbestos issues in remodeling. There are effective work practices that can be utilized to help minimize indoor, environmental problems. Register today to learn how best to address asbestos.

The January program is suitable for new entrants and seasoned remodeling veterans. We will have a great time learning and networking together.

Speaker: James DeValois, KEMWest

James DeValois is President and Owner of KEMWest, Inc., a full service Industrial Hygiene, Health and Safety and Environmental Consulting Company. KEMWest has provided asbestos consulting services in the Denver area since 1995. He has a Bachelor of Science Degree in Geophysical Engineering from the Colorado School of Mines and is certified in the comprehensive practice of Industrial Hygiene by the American Board of Industrial Hygienists
